Fresh, clean and classical

The clean white finish and classical design of The Piper Collection will add a fresh touch to your home.

Storage, functionality and versatility have been cleverly built into this collection.

The wide range of unit configurations and variety of handle choices ensures that there will be the perfect piece to fit and complement your space.

The Piper Collection is constructed from 100% NZ made MDF, a renewable resource from sustainably managed pine forests, which is overlaid with a durable, eco-friendly laminate.

The Piper design is also available in black, please refer to the York Collection.

100% NZ Made

Manufactured and assembled in New Zealand. Quality furniture made by New Zealanders for New Zealanders.

5 Year Guarantee

The Piper Collection is backed with Compac Furniture's 5 year manufacturer's guarantee.
